

July 6, 2017

Greetings,

Attached is the list of the State Minor Program projects for FY 2017/18. Please program these projects in your **2017 FTIP** through next FTIP amendment/administrative modification using the fund type below.

These projects can be programmed through grouped project listings in the FTIP. The appropriate grouped project listing category for the air quality non-attainment or maintenance areas is “Grouped Projects for Safety Improvements, Shoulder Improvements, Pavement Resurfacing and/or Rehabilitation – Minor Program”. For areas classified as air quality attainment, projects that can be classified as “Categorical Exclusion (CE)” per 23 CFR 771.117 (c) and (d) can be grouped by CE classifications. See link below for additional guidance.

Program the Total Project Cost (Column L of the attached spreadsheet) using the fund type below.

This information will be posted on Caltrans Federal programming’s website under “Various State and federal Programs” section soon.
